THIS IS **UNEVALUATED** INFORMATION

25X1

1. Between 14 and 17 Apr 54, motorized units carried out local maneuvers in the region of Opaka (Rasgrad). Observers noted: 64 light tanks, 18 pursuit tanks, more than 100 guns from 70 to 105 mm in caliber, more than 1,000 motor trucks, 380 jeeps, and some small motorcycles. These troops are believed to belong to the 28th division.
2. Between 20 and 23 Apr 54, 32 military motor trucks arrived at a point between Oradag /sig/ and Kamakli /s/. They brought materials for the construction of a new provisional military airfield in this region. There is no activity at this point for the moment, however. Everything is covered with waterproof tarpaulin and guarded by soldiers.
3. Movement of motor trucks is observed along the Bulgarian Black Sea coast, near Kara Tepe, Burgas, Arhanli /s/, and Sveti Nikola. Seven-ton trucks are traversing the forbidden zones. Marine mines are constantly being transported to these places, as well as other strategic matériel. Further information is not yet available.
